Description

1st Veterans Security LLC is a Tier-1, full service, private and professional security company founded by a team of U.S. special operations veterans and private industry business leaders. Our team brings decades of experience in the close protection space and the business space. It is our purpose to provide professional, reliable, and trained security personnel throughout our areas of operation. Whether you require a full suite of corporate security services, travel risk mitigation, low-profile or covert personal protection, threat assessments, estate security, family office security, or just standard security services, 1st Veterans Security LLC is unique through the professional and experienced security personnel that we deploy to the field. 1st Veterans Security LLC is licensed in Louisiana, Texas, Mississippi, Alabama, Florida, and Kentucky.
